

Sparkling Iced Green Tea with Mint

1. Boil your kettle at 70c.
2. Brew your Oriental Garden Green Tea in a teapot (Add one teaspoon per cup and one for the pot!).
2. Steep for approximately five minutes.
3. Once your tea has cooled transfer to a jug, filling it half way to the top.
4. Before serving, top up the jug with ice cubes and sparkling water*.
5. Add a bunch of mint leaves (stems removed).
6. Garnish each glass with a slice of lemon.
7. Serve with a drizzle of honey & enjoy.

* To add a little merriment substitute sparkling water with your favourite champagne.
